DE PROFESIONALES  
FORESTALES & SOCIETY  
OF AMERICAN  
FORESTERS

XXII  
BIENNIAL REUNION

Theme:  
*Ecological Restoration*

OCTOBER 28 - 31, 2009  
ALBUQUERQUE, NM

JOIN US FOR OUR  
22ND REUNION

You're invited to join the Southwest Section of the Society of American Foresters (SAF) and the Chihuahua Section of the Mexican Association of Professional Foresters (Asociación Mexicana de Profesionales Forestales – AMPF).

The reunion meetings provide a unique opportunity for participants to form friendships, share technologies, ideas and cultures with our neighbors to the south. We begin with registration and an Icebreaker on Wednesday, featuring local musicians at The Sandia Courtyard Hotel.

The technical session and Bluewater fieldtrip will focus on landscape-scale ecological restoration. The spouses and guests will visit the National Hispanic Cultural Center and the Old Town plaza, and have the option to shop at the local mall. All participants will visit the Albuquerque BioPark, the Indian Pueblo Cultural Center and enjoy a beautiful view of Albuquerque from the Sandia foothills while learning about local resource issues. Then we celebrate our friendship and close out the meeting at an evening

banquet. CFE credits available.

**Room Rates and Reservations**

Reservations can be made at the Sandia Courtyard Hotel by calling 1-800-877-4852, 505-296-4852, or visiting their website at [www.sandiacyouardhotel.com](http://www.sandiacyouardhotel.com).
